

What Programs Are Available?

GED® Preparation

Earn your high school diploma at IRSC with the help of GED® preparation classes and teachers who care about you. No matter when you left school, IRSC can start you on the path toward success.

Work at your own pace, concentrating on reading, writing and math and improving your skills so you'll be ready to take the GED® exam and successfully earn your high school diploma. You can even take classes online!

Counselors will help you with the necessary tools and resources to get you into the workforce or college. Ask how you can take college classes while preparing for your diploma.

Why Choose IRSC Adult Education?

Do you want to feel good about yourself, increase your confidence and better understand the world around you?

IRSC GED® Prep, High School and ESL programs will help you develop essential skills and learn how to use technology to put you in a better position to earn more. According to the Bureau of Labor Statistics, people with a high school credential earn about \$15,000 more a year than those without it.

By continuing your education, you'll be prepared for even better paying careers that can improve your life and the lives of those who depend upon you.

Adult High School

Earn your **high school diploma** at the IRSC High School—a full-time, public school that offers outstanding educational opportunities. Classes begin throughout the year, and online classes are available for those who qualify. To enroll you must:

- Be 16 years of age or older
- Be officially withdrawn from another high school program
- Obtain an official copy of your high school transcript (AHS only)
- Schedule diagnostic testing
- Complete the IRSC Application for Admission (non-credit)
- Pay the Adult Education term fee
- Meet with a facilitator to register for classes
- Attend ALL classes

The IRSC High School is supported by the State of Florida and accredited by the Southern Association of Colleges and Schools.

Dual Enrollment is a great opportunity for qualified students who want to take challenging courses and begin earning FREE college credit toward a degree or industry certification while attending high school.

The **credit recovery program** is also available for those enrolled in a high school who need to make up credit. Online and evening options are available to area high school students.
